Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life.- John 8:12

April 2017

Dear Friends and Family,

We want to thank you for your faithful prayers over these last few months. We have had so much for which to thank God. We want to let you know about a few of these blessings.

First, God blessed us with a great Easter Sunday. We had a wonderful crowd, half of whom were unsaved. Ethan was excited to see one of his classmates and the boy's mom come into church Easter morning. We have been inviting him and his mom for over two years, and this was their first time to visit. We praise the Lord they came. Please pray for Mrs. Chen and her son Hu Juen.

Second, when we started our English outreach over a year ago, our goal was to build relationships, help folks with their English, and through English teach God's Word. From the beginning we have had a young man named Oliver coming to class. He and his mom both come. Not long after they started coming to English class, they began coming to church. They both professed to be Christians. I have been talking for months with him about doing some one-on-one Bible study lessons. Last month we finally were able to start. During the first lesson he realized that he was putting his faith in his own works to get him to heaven. That night he prayed and accepted Jesus as his Savior. Please pray for Oliver's continued growth in Christ. This was a young man with much knowledge of the Bible. It reminded me again of how slow things are here. Either they are like Oliver with a lot of knowledge, thinking they are okay; or they are people that don't know anything about Jesus and what He has done for them. Please pray for us as we share God's wonderful gospel with the people of Taiwan.

Third, next month new missionaries will be moving to Taiwan. Please pray for Corey and Jessica Kershner. They will be moving to work with us while they learn Chinese. Please pray for their move and for their adjustment to life in Taiwan. Also, please pray that we can be a blessing to them and help them with their transition. What a blessing it is to have more help! There are so many people here in Taiwan that still have no idea who Jesus is. Please pray for more laborers.

Finally, we have some family news that we need your prayers about. Please pray for April. She is expecting our fourth child, which is a girl! Please pray for her and the baby's health.

April also just returned from a two-week visit to the States. She went back to visit her grandmother who was diagnosed with stage 4 cancer just a couple months ago. While she was there, her grandmother passed away. Please pray for the whole family. We know she is in heaven, but it is still a very sad and difficult time.

Thank you for being so faithful.

For Him,

Jon + April Flowers
