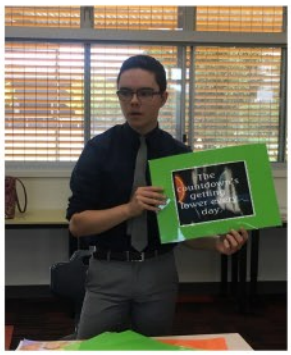
Family Updates

Breanna is adjusting well to life and ministry at Crown College and serving at Temple Baptist Church. As part of the College Choir, she has a wonderful opportunity to go on a mission's trip to New York City. God has already supplied for the cost of taking this trip; however, she still needs to purchase some warm clothing for the trip. Please pray that God will supply the needed funds for these items.

Katie just finished the 7th grade. She plays the cello in our church orchestra and also serves in special music.

She also plays cello in a local strings orchestra and is doing very well in that.

Josiah is getting ready to graduate high school in December. He is praying about several opportunities ahead of him.



At church, he serves in the orchestra, special music, song leading, and as a Sunday school helper. Recently, he started a business teaching guitar lessons. Please pray for wisdom in upcoming decisions that he will need to make.

Thomas Alexander was born on the 30th of September and weighed 6 pounds 2 ounces and was 19 inches long. Although he had troubles with jaundice and regulating his body temperature at first, he is doing fine now. Mum and bub are doing well. Thank you for your prayers for Melissa and Thomas.

Ministry Updates

Over the last couple of years, our young adults and teens have been training to be helpers in Sunday school. Many of them have come a long way. During our young adult and youth Bible study, we often have training times or workshops to help them develop as Sunday school teachers. In the above photo, they are helping to make exciting Sunday school props. Please continue to pray for them as they develop their teaching skills.

Teaching Others Also

In the last two months, we have completed children's discipleship with William Tang and Dave Espinoza. Also, we were able to complete adult discipleship with Eduardo Tomassi. It is amazing how God has literally brought the world to our doorstep. In the 3 that completed discipleship, we have China, the Philippines, and Argentina represented.

Recently, we have started children's discipleship with 3 children from a new family in our church. It is exciting to see these people not only finish and start discipleship but also to see them getting actively involved in the church.

Answered Prayer

Earlier in the year, God sent us the Tang family. We were their first English church as they previously attended a Mandarin speaking church. They have 2 boys 12 and 5. We started a 2nd children's Sunday school class for the 5 year old. Since that time, he and his family have been inviting all his friends and their families to visit our church. Last Sunday, 3 families of his friends visited church on the same Sunday. His children's church class went from 1 to 8 with 2 more toddlers in the nursery. Please pray with us as we seek to follow up with these 3 families.

We're THANKFUL

For your prayers and financial support!
