Special Prayer

Please pray for Joy! She has had problems over the last few years with her knees. Her right knee is much worse, and causes her a lot of problems. She had an appointment with the orthopedic surgeon yesterday, hoping he could repair her meniscus tear, but he told her that it won't work, because her meniscus is degenerating due to arthritis. He says she needs knee replacement surgery on actually BOTH of her knees. Pray for her as she looks at other options to surgery. She doesn't want knee replacement. The post-surgery pain scares her, as she has a low pain threshold.

In His Service,
Rick & Joy

Hafa adai from Guam! We've had a very exciting summer with eleven people saved! God is blessing our church with souls saved nearly every service. We will be having a baptism service in a couple of weeks again, and are expecting a lot of them to follow the Lord in baptism. God is so good to us!

Family touched by Jesus!

We had a special prayer request for Ken Leon Guerrero, the brother of one of our members, Rose Arceo. He was in the hospital, and had just had surgery, but was in ICU. One of our men, Cody Coolidge, went to visit him and led him to the Lord. That was back in July. Then on August 19, he came to church and brought his wife and three of their kids to church. All four of them accepted Christ!

Sweet Couple!

Another Guard Soldier, Brian Weekly, came to church after having been invited by several church members for almost a year. He accepted Jesus as his Saviour, and his sweet wife rededicated her life to the Lord! Pray that we can keep them in church and help them to grow spiritually. This was such an amazing answer to prayer!

Pray for more souls to be saved!

God has been moving in miraculous ways in our people's lives, with friends and loved ones getting saved! Pray that God will continue blessing with more people saved & baptized. Thank you again for your faithful prayers and support! God bless you!
