In His Service,  
Rick & Joy

Hafa Adai from Guam! Thank you all for your faithful support and prayer for us. We've been busy in many different events, and always keep updates weekly on my Facebook. I also am preaching every Sunday morning on Facebook live if you would like to join us. Joy is working on getting our new website up and running where we can keep everyone better informed of what is happening with us.

God has blessed with **nine souls saved** in church services from our last prayer letter till the end of December, and between **35-40 saved** on Guard drill weekends. Also, one lady was baptized. Praise the Lord! Pray the Holy Spirit moves so we can see more follow the Lord in baptism. We are starting a new converts class back up again in February, so praying this will have good results.

## January Events - 2 more saved!

The New Year started out great! God has already blessed with around ten raising their hands for salvation at Guard drill. Also, two people - Tony and Derek - were saved! One in my office and the other in Sunday morning church service! Pray that they will stay faithful to church services so that they can grow.

## Ordination Service!

Kayne, Franchesca & their 6 children

On January 11, we had the ordination service for Bro. Kayne Kamminga, a local Chamorro man who was saved under our ministry nearly ten years ago. He and his wife, Franchesca, have been faithful and growing in grace ever since. Bro Kayne later surrendered to God's call to the Gospel ministry, and I began training him to one day take over this ministry.

The church licensed him to preach in 2013, and he deployed with the Guam National Guard to Afghanistan. He was used by God as a lay preacher during his year-long deployment. Kayne's ordination service was well-attended, with the ordination council composed of other Baptist pastors on island. It's such a blessing seeing young couples submitting themselves 100% to the Lord Jesus Christ!
