*"The Lord gave the word: great was the company of those that published it." - Psalm 68:11*

## Seedline News

2017 has gotten off to a great start! We've been working on finishing two projects: Polish J&R's for Poland and Cebuano J&R's for the Philippines. Our first project of the year was down in South Carolina, as a pastor who had formerly been in Western New York moved down there and had us come and introduce Seedline to his new church. Sixty-five degrees in the middle of January was just fine with us! We've also been in the Boston area, Queens, Connecticut, Pennsylvania, Maine, a couple of times into New Jersey, and a close-to-home project here in upstate New York. I've had the opportunity to take a young man from our church who has shown a real interest in Seedline with me on a couple of projects so far this year, which has been a blessing. It has been an encouragement to work with several long-time partnering churches as we do each year, as well as several new churches that are just getting involved. Speaking of which, the church in Maine, South Liberty Baptist, had me come for their missions conference and they also assembled 10,000 J&R's as part of their conference. While there, I got very sick with flu-like symptoms, and had to miss the final service of the conference. It turned into a 96-hour migraine headache unlike anything I've ever had before. Two visits to the ER later it finally eased, and as I type this several days later I'm still feeling the aftereffects of the pain and soreness in my head. They did a CT scan and found a small, benign, meningioma tumor, and I'm awaiting the scheduling of an MRI to find out more details and to see whether or not further attention to it is needed. So prayers would be greatly appreciated, as I've had to reshuffle my travel schedule a little bit, rescheduling a couple of projects. Nevertheless, God is good, and I rest in His peace and strength. The year has gotten off to such a great start, with so many more exciting things coming up, and so we don't want to miss anything the Lord has for us. What a blessing and privilege it is to serve Him in the Seedline ministry, all for His glory!

## Seedline Banquet

As mentioned in my last letter, this year we are having a Seedline appreciation banquet on the Friday evening of June 30th, at 6:30 PM. The location is our church: Valley Bible Baptist, 745 Mineral Springs Road, Cobleskill, NY 12043. We will have a special speaker, as well as a very nice meal, and we just want it to be an evening where we can rejoice together in all that the Lord has done the past 30 years through our church and Seedline ministry. It is VERY important that you let me know if you are able to come! Even if I have already mentioned it to you and you have said you will come, will you please still RSVP and make sure to mention how many are coming. Lodging can be arranged at a very good price if that is needed as well; again, please let me know. We would love to have a good number of pastors and their wives come for this special event, and we want it to be a blessing to you as well. Please help us with the coordination of this evening by letting me know ASAP if you will be able to come. Feel free to call me at (518) 708-1285. Thank you!
