

NORTHEAST BAPTIST SEEDLINE Summer 2017

"The Lord gave the word: great was the company of those that published it." - Psalm 68:11

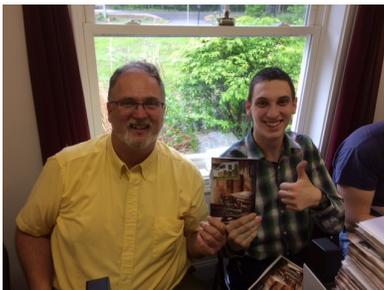

Seedline News

Dear praying partners,

Much has taken place since my last prayer letter. For those of you that prayed for my health, thank you! I have no lingering effects from the headaches, and the MRI did not reveal anything that is a concern long term. Praise the Lord! We've done John & Romans assembly projects in New York, Pennsylvania, New Jersey, Massachusetts, Connecticut, and New Hampshire. So far this year five different churches have done their first ever Seedline project! Praise the Lord for new churches getting involved! We are working on several projects, including English for the country of Sierra Leone, Africa. Bearing Precious Seed printed 800,000 John & Romans for this project (with more probably to come), and they are specifically for all of the children in the schools of Sierra Leone. What an opportunity to get the Word of God into the hands of so many young people! We have also begun raising funds to replace our Seedline truck, which has over 427,000 miles on it! Several churches have given already, and if you would like to give toward this need please let me know. We would like to have it in place by this fall. Finally, if you would like regular updates on our ministry, you can like and follow @NEBSeedline on Facebook. May the Lord continue to bless the publishing of His Word. It will not return unto Him void!

2017 Missions Trip

From September 4 - 17 I will be going on another Scripture distribution campaign with Couriers for Christ. This year's campaign takes place in three different cities; one each in Germany, Austria, and Switzerland. We've been able to have a part already by working on assembling 50,000 German John & Romans, which is a portion of the 300,000 that will be shipped very soon. Pray that the Scriptures arrive overseas with no hassles, and that the Holy Spirit would begin to work in the hearts of the people that will receive these portions of the Word of God!
