Establishing Chinese Churches

Prayer Requests

- * Bible Institute Training with Church Planters from three countries.
- * Hong Kong Churches Discipleship ministry.

Dear Pastor Erickson and Jersey Shore Baptist Church,

Thank you for your **partnership** and prayers throughout 2018!

Fourteen new churches became **self-supporting** this year, and I hope you can connect in your **heart** and mind that you have a part in the **souls** coming to Christ. **Christmas** this year, means so much more to the new **Believers** in these churches.

And at this Christmas time, perhaps you could **consider** a special gift for two needs:

1. Chinese Bibles

Our Chinese **disciples** need their own **copy** of **God's Word**. Bibles are printed in China, but one church has them for the entire "county" making them difficult to get. We can take care of this. I have requests from 23 Pastors for Bibles. They are \$2 each with a beautiful hardcover. We need **375 Bibles** at this time.

2. Translation for Burmese

We also have a need for **translation** of our **discipleship** materials in **Burmese**. A pastor there wants to multiply disciple-makers. The need is \$780 to complete that.

Also, check the prayer requests above, please. Thank you again for partnering with us. People are coming to Christ **daily**.

With 2019 about to begin, your **prayers** and support are vital in spreading the Gospel. May God bless you,

John and Cathy
