Missionaries to Taiwan

I am the light of the world; he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

May 2022

Dear Praying Friends,

We trust that God has blessed you with a great start to 2022. We want to thank God for His working in our lives and in the lives of our church family.

I am continually reminded that this world is full of people that know absolutely nothing about the One True God, His Word, or Jesus who loved them and died for them on the cross. Whether they say to me, "What is Jesus?" or they tell me, "What you believe is good for you, your country and your culture; but we here in Taiwan are okay." Statements like these always break my heart. They remind me that what is being done here in New Taipei City is very important. "How then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher?" (Romans 10:14).

In March God brought four ladies to our church. Out of these four, only two of them had been to some form of a church before. The other two have never heard about Jesus and who He is. They had heard that if they go to church they will be baptized and then they will be okay. We have been having Bible study with them to help them understand God's Word. It has been a great reminder to the importance of preaching and teaching truth. So many are blind to the truth. After a few weeks of Bible study, I asked one of the ladies if she was ready to trust Jesus as her Savior. She responded like so many others, "I am not ready, I still have many questions." This is the first church she has ever attended. Everything she is hearing, she is hearing for the first time. Please pray for Xie Jia Lun (謝佳倫). Pray that the Holy Spirit would open Jia Lun's eyes to the truth.

Would you also pray for the three other ladies: Cindy, Annie and Mary? I believe that these ladies also need to be saved. Pray that God would give us wisdom as we deal with them and others here in Taiwan.

Thank you for your faithful prayers and support for our family and the people of Taiwan. We love y'all and we are praying for you.

For Him,

Jon & April Flowers
