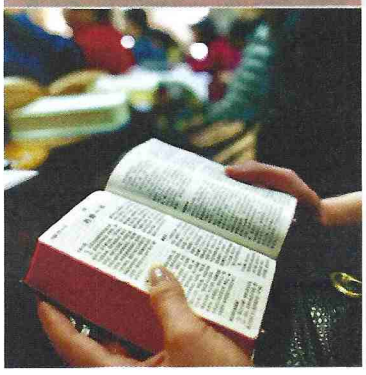
"I am more than ever convinced that if we were to take the directions of our Master and the assurances He gave to His first disciples more fully as our guide, we should find them to be just as suited to our times as to those in which they were originally given." — Hudson Taylor

Establishing Chinese Churches



Dear Pastor Erickson and Jersey Shore Baptist Church,

Thank you for your prayers, support, and concern for **souls**.

Bible Distribution

Every month I receive **requests** for Bibles from new **churches** we've started. I love getting those. Over **four thousand Bibles** have been provided so far this month. The majority of the Bibles are placed with new believers and **disciples**. **Thank you** to those who **contributed** to make that possible!

In our experience in Asia, the **Bible** itself, along with the **influence** of personal relationships, especially among family members, are key factors in people coming to **faith** in Christ.

And, right now, the current spiritual **climate** is a powerful factor in people coming to Christ. People are worried, looking for **answers**, and they are **receptive**! Pray that God will give us **insight** and wisdom to capture this opportunity while we can.

Reporting

We want to catch up on reporting to you and your ministry. Visit our **website** to select dates in the future that work for your **calendar**. There are different ways we can report also.

Thank you for your **partnership.** May God richly bless you,

John and Cathy
